ABOUT RIDGES HOSPITAL

Ridges Hospital opened in Burnsville in 1985, providing comprehensive, specialized care to the southern Twin Cities community. Ridges Hospital provides care for the entire family, including pediatric emergency care and neonatal intensive care. The hospital offers onsite access to specialists in everything from heart and cancer care to midwifery and sports medicine. Ridges was awarded a 5-Star Rating (the highest available) in the 2019 Centers for Medicare & Medicaid Services “Hospital Compare” quality survey.
