

M Health Fairview General Information

Site Specific Information

EMPLOYEE BADGES

Employees are required to wear proper identification when at work.

Newly Hired Employees: Newly hired employees will receive their badges during their new hire screening appointment at the Midway campus. If you have questions about badges or gaining badge access to certain areas, please visit the [ID Badging and Access Management](#) page for more detailed information.

LACTATION SERVICES FOR EMPLOYEES

For detailed information and resources regarding Lactation Services at Fairview including breastfeeding supplies, employee pump rooms, donating your extra milk, and working with nursing mothers and babies, please visit the [Lactation Services for Employees](#) website.

LANGUAGE SERVICES

To learn about communication aids, language resources, and who to contact for assistance, please visit the [Language Services](#) website.

PARKING SERVICES

For general Parking Service information including how to get a parking contract, transit services, and options visit the [Parking Services](#) website. **Refer to site specific information for location-based parking options.*
